

VISITORS/OUTSIDERS

The Governing Board believes that it is important for parents/guardians and community members to take an active interest in the issues affecting district schools and students. Therefore, the Board encourages interested parents/guardians and community members to visit the schools and participate in the educational program.

(cf. 1240 - Volunteer Assistance)
(cf. 5020 - Parent Rights and Responsibilities)
(cf. 6020 - Parent Involvement)

To ensure the safety of students and staff and minimize interruption of the instructional program, the Superintendent or designee shall establish procedures which facilitate visits during regular school days. Visits during school hours should be arranged with the principal or designee. When a visit involves a conference with a teacher or the principal, an appointment should be scheduled during noninstructional time.

(cf. 6116 - Classroom Interruptions)

Any person who is not a student or staff member shall register immediately upon entering any school building or grounds when school is in session.

(cf. 1112 - Media Relations)

The principal or designee may provide a visible means of identification for all individuals who are not students or staff members while on school premises.

No electronic listening or recording device may be used by any person in a classroom without the teacher's and principal's permission. (Education Code 51512)

Response to Immigration Officials

No outsider—which would include immigration-enforcement officers—shall enter or remain on school grounds of the VUSD during school hours without having registered with the principal or designee. If there are no exigent circumstances necessitating immediate action, and if the immigration officer does not possess a judicial warrant or court order that provides a basis for the visit, the officer must provide the following information to the principal or designee:

- Name, address, occupation;
- Age, if less than 21;
- Purpose in entering school grounds;
- Proof of identity; and
- Any other information as required by law.

VISITORS/OUTSIDERS (continued)

The principal or designee shall report entry by immigration-enforcement officers to any on-site school police and the superintendent, as would be required for any unexpected or unscheduled outside visitor coming on campus.

Teachers, school administrators, and other school staff shall receive training regarding immigration issues, including information on responding to a request from an immigration officer to visit a school site or to have access to a student.

(cf. 4131 - Staff Development)

The Superintendent or designee shall report to the Board in a timely manner any requests for information or access to a school site by an officer or employee of a law enforcement agency for the purpose of enforcing the immigration laws. Such notification shall be provided in a manner that ensures the confidentiality and privacy of any potentially identifying information. (Education Code 234.7)

In addition to notifying the Superintendent or designated administrator, ~~VUSD~~ personnel shall take the following action steps in response to an officer present on the school campus specifically for immigration-enforcement purposes:

1. Advise the officer that before proceeding with his or her request, and absent exigent circumstances, school personnel must first receive notification and direction from the Superintendent or designee.
2. Ask to see, and make a copy of or note, the officer's credentials (name and badge number). Also ask for and copy or note the phone number of the officer's supervisor.
3. Ask the officer for his/her reason for being on school grounds and document it.
4. Ask the officer to produce any documentation that authorizes school access.
5. Make a copy of all documents provided by the officer. Retain one copy of the documents for school records.
6. If the officer declares that exigent circumstances exist and demands immediate access to the campus, personnel should comply with the officer's orders and immediately contact the Superintendent or designee.
7. If the officer does not declare that exigent circumstances exist, respond according to the requirements of the officer's documentation. If the immigration-enforcement officer has:
 - An ICE (Immigrations and Customs Enforcement) administrative warrant personnel shall inform the agent that he or she cannot consent to any request without first consulting with the Superintendent.
 - A federal judicial warrant (search-and-seizure warrant or arrest warrant), prompt compliance with such a warrant is usually legally required. If feasible, consult with the Superintendent before providing the agent access to the person or materials specified in the warrant.

VISITORS/OUTSIDERS (continued)

- A subpoena for production of documents or other evidence, immediate compliance is not required. Therefore, personnel shall inform the Superintendent and await further instructions on how to proceed.

The Board encourages all individuals to assist in maintaining a safe and secure school environment by behaving in an orderly manner while on school grounds and by utilizing the district's complaint processes if they have concerns with any district program or employee. In accordance with Penal Code 626.7, the principal or designee may request that any individual who is causing a disruption, including exhibiting volatile, hostile, aggressive, or offensive behavior, immediately leave school grounds.
