

**PERSONAL ILLNESS/INJURY LEAVE**

**Purposes of Leave**

A classified employee may use personal illness or injury leave granted by the district for the following purposes:

1. Absences caused by accident or illness, whether or not the absence arises out of or in the course of employment, or by quarantine which results from contact during the performance of the employee's duties with other persons having a contagious disease (Education Code 45199)

2. Absences due to pregnancy, childbirth, and recovery (Education Code 45193)

*(cf. 4161.8/4261.8/4361.8 - Family Care and Medical Leave)*

3. Cases of personal necessity as specified in Education Code 45207

*(cf. 4161.2/4261.2/4361.2 - Personal Leaves)*

4. Medical or dental appointments, in increments of not less than one hour

5. Cases of industrial accident or illness when leave granted specifically for that purpose has been exhausted (Education Code 45192)

*(cf. 4261.11 - Industrial Accident/Illness Leave)*

6. Illness of the employee's child, parent, spouse, registered domestic partner, or domestic partner's child, up to the amount of leave that would be accrued during six months for personal illness or injury (Labor Code 233)

**Notification of Absence**

An employee shall notify the Superintendent or the designated manager or supervisor of his/her need to be absent as soon as such need is known so that the services of a substitute may be secured as necessary. This notification shall include an estimate of the expected duration of absence. If the absence becomes longer than estimated, the employee shall so notify the district. If the duration of absence becomes shorter than estimated, the employee shall notify the district not later than 3 p.m. of the day proceeding the day on which he/she intends to return to work.

**Verification Requirements**

After any absence due to illness or injury, the employee may be required to submit a completed and signed district absence form to his/her immediate supervisor.

## **PERSONAL ILLNESS/INJURY LEAVE (Continued)**

The Superintendent or designee may, at any time, require additional written verification by the employee's physician or medical practitioner. Such verification shall be required whenever an employee's absence record shows chronic absenteeism or a pattern of absences immediately before or after weekends and/or holidays or whenever clear evidence indicates that an absence is not related to illness or injury.

The Superintendent or designee may require an employee to visit a physician selected by the district and at district expense in order to receive a statement as to the employee's need for further leave of absence and a prognosis as to when the employee will be able to return to work. If the statement concludes that the employee's condition does not warrant continued absence, the Superintendent or designee, after giving notice to the employee, may deny further leave.

Before returning to work, an employee who has been absent for surgery, hospitalization, or extended medical treatment may be asked to submit a letter from his/her physician stating that he/she is able to return and stipulating any recommended restrictions or limitations.

*(cf. 4032 - Reasonable Accommodation)*

*(cf. 4113.4/4213.4/4313.4 - Temporary Modified/Light-Duty Assignment)*

Verification requirements shall not discriminate against any employee on the basis of his/her religious practice.

*(cf. 4030 - Nondiscrimination in Employment)*

*(cf. 4031 - Complaints Concerning Discrimination in Employment)*

## **Accrual of Leave**

Any classified employee employed five days a week is entitled to 12 days leave of absence, with full pay, for personal illness or injury per fiscal year. An employee who serves less than a full fiscal year or fewer than five days a week shall be granted comparable leave in proportion to the time he/she works. (Education Code 45191)

*(cf. 4161/4261 - Leaves)*

*(cf. 4161.9/4261.9/4361.9 - Catastrophic Leave Program)*

An employee may take leave for personal illness or injury at any time during the year, even if credit for such leave has not yet been accrued. However, a new employee shall not be entitled to more than six days of such leave until he/she has completed six months of active service with the district. (Education Code 45191)

## **PERSONAL ILLNESS/INJURY LEAVE (Continued)**

Unused days of personal illness or injury leave shall be accumulated from year to year without limitation. (Education Code 45191)

At the beginning of each school year, each employee shall be notified of the amount of leave which he/she has accumulated.

Upon employment with the district, a new classified employee shall receive credit for any personal illness or injury leave accumulated in a previous school district, county office of education, or community college district if he/she left employment with that district within the previous year and had been employed by the previous district for at least one year. If the employee's previous employment had been terminated for cause, the Governing Board may determine whether to accept the transfer of the accumulated leave. (Education Code 45202)

An employee who does not complete a given year of service shall be charged for any unearned personal illness or injury leave used as of the date of termination.

### **Extension of Leave**

A permanent employee who is absent because of a personal illness or injury and who has exhausted all available personal illness or injury leave, vacation, compensatory overtime, and any other paid leave shall be so notified, in writing, and offered an opportunity to request additional leave. The Board may grant the employee additional leave, paid or unpaid, for a period not to exceed six months and may renew this leave for two additional six-month periods or for lesser periods. Total leave so granted shall not exceed 18 months. (Education Code 45195)

*(cf. 4216 - Probationary/Permanent Status)*

If the employee is still unable to resume his/her duties after all available paid and unpaid leaves have been exhausted, the employee shall be placed on a reemployment list for a period of 39 months. If during this time the employee becomes able to resume the duties of his/her position, he/she shall be reemployed in the first vacancy in the classification of his/her previous assignment. The employee's reemployment shall take preference over all other applicants except those laid off for lack of work or lack of funds, in which case the employee shall be ranked according to his/her seniority. (Education Code 45195)

### **Compensation**

A classified employee who has exhausted all paid leave, including personal illness or injury leave shall receive his/her salary, minus the actual amount paid a substitute employed to fill the position during the employee's absence for the remaining days within a total five-month period of absence. (Education Code 45196)

**PERSONAL ILLNESS/INJURY LEAVE (Continued)**

The five-month period shall commence on the first day of the leave of absence and shall run concurrently with any other paid leave.
